

## Guidance for Healthcare Settings during Utah's 'Moderate Risk' Phase\*

### Hospital Settings and Ambulatory Surgical Facilities

- Each hospital and ambulatory surgical center operating in Utah shall follow the protocols developed by the Utah Hospital Association in consultation with the Utah Department of Health, titled "[Utah Roadmap for Resuming Elective Procedures](#)".

### Non-hospital Setting, including Dentistry

- Adhere to all protocols set forth in the following state public health order: <https://coronavirus-download.utah.gov/Health/state%20public%20health%20order.20.04.21.pdf>

\*From Utah's *Phased Guidelines for the General Public and Businesses to Maximize Public Health and Economic Reactivation* <https://coronavirus-download.utah.gov/Health/Phased%20Health%20Guidelines%20V4.0.pdf>
